

Keith S. Cox

Psychology Department
University of North Carolina Asheville
225 Delany Hall, CPO 1630
One University Heights
Asheville, NC 28804

kcox2@unca.edu

NC Psychology License #4902

Position

Associate Professor, Psychology Department, UNC-Asheville, 2015-present
Psychologist, Responder Support Services, 2021-present
Co-Chair, Exposure Therapy Consortium Marketing and Communications Working
Group, 2025-present

Former

Community-Based Clinical Faculty, MAHEC Psychiatry Department, 2022-23
Psychologist, PTSD Clinical Team, Ralph H. Johnson VA Medical Center, 2014-2015
Assistant Clinical Faculty, Department of Psychiatry and Behavioral Sciences, Medical
University of South Carolina, 2014-2015
Faculty Member, Charleston Consortium Psychology Internship Program, 2014-2015

Education

Ph.D. in Clinical and Personality Psychology (August 2013)
Northwestern University

M.S. in Clinical and Personality Psychology (December 2009)
Northwestern University

M.A. in Religious Studies (May 2007)
University of Virginia

B.S. in Physics, B.A. in Philosophy (May 2001)
University of Georgia

Research and Scholarly Interests

Science communication about traumatic stress and posttraumatic growth. Reimagining and rebranding exposure therapy. PTSD and cognitive alterations post-trauma. Dissemination and implementation of science-based treatments for PTSD and mental health. Mechanisms in the treatment of PTSD. Traumatic memory, emotional processing, and the life story. Meaning-making, the life story, and human flourishing. Moral

development and the narrative self. Psychological perspectives on virtue. Well-being and the good life.

Teaching and Training

Exposure/Approach Therapy Consultation Group
Responder Support Services, Fall 2024—present

Instructor: Communicating Trauma, Psychology 412
UNCA, Fall 2025

Instructor: Psychopathology and Clinical Science, Psychology 208
UNCA, Spring 2026, Fall 2025, Fall 2024, Spring 2024, Fall 2023, Fall 2022, Fall 2019,
Spring 2019, Fall 2018

Instructor: Theories of Personality, Psychology 324
UNCA, Spring 2026, Fall 2024, Spring 2018, Fall 2017, Spring 2017, Spring 2016, Fall 2015

Instructor and Coordinator: Student High Impact Focused Time (SHIFT), Hope Through
Science-Based Treatment for PTSD
UNCA, Spring 2024

Instructor: Internships in the Helping Professions, Psychology 412
UNCA, Fall 2023, Spring 2022, Fall 2021, Spring 2021, Fall 2020, Spring 2020

Clinical Supervisor: Psychiatry Residency Training in Psychotherapy
MAHEC Psychiatry and Wellness Department, 2022-23

Instructor: Research Methods II, Psychology 202
UNCA, Fall 2021, Fall 2020, Spring 2020, Spring 2019, Spring 2018

Instructor: Cultivating Global Citizenship, Liberal Arts 478
UNCA, Fall 2022, Spring 2021

Instructor: Research Methods I, Psychology 201
UNCA, Fall 2019, Spring 2017, Spring 2016, Fall 2015

Instructor: Individual in the Contemporary World, Humanities 414
UNCA, Fall 2018

Instructor: Mental Health Ethics and the Law, Psychology 514
The Citadel, Spring 2015

Supervisor: Cognitive Behavioral Therapy Training for Psychiatry Residents
Medical University of South Carolina, Summer 2014-Spring 2015

Instructor: Personality Psychology, Psychology 215
Northwestern University, Spring 2012, Spring 2011

Teaching Certificate Program, Searle Center for Teaching Excellence
Northwestern University, Fall 2011

Teaching Assistant: Personality Psychology, Psychology 215
Northwestern University, Winter 2010, Winter 2009

Teaching Assistant: Research Methods, Psychology 205
Northwestern University, Winter 2008

Awards, Fellowships, and Scholarships_____

Breman Professor of Social Relations, Sponsored by UNC Asheville, \$22,000.00 (July 2025 - June 2027)

Teaching Excellence Award, UNCA, nominated (2018-2019, 2019-20, 2020-2021, 2021-2022, 2022-2023, 2023-24, 2024-2025, 2025-26)

Creative Scholarship Award, UNCA Faculty, nominated (2018-2019, 2021-2022, 2025-26)

"Communicating Trauma: A Case Study on Science Communication and Traumatic Stress and Posttraumatic Stress Disorder," Sponsored by UNCA University Research Council, \$1,500.00 (May 2025 - July 2025)

"Science Communication for Traumatic Stress, PTSD, and Their Treatment," Sponsored by UNCA Undergraduate Research and Creative Activities Program Faculty Summer Grant, University of North Carolina Asheville, \$6,000.00 (May 2025 - July 2025)

Teaching Excellence in the Social Sciences Award, UNCA, 2022-23

"Hope Through Science-Based Treatment for PTSD" project awarded \$32,250 as recipient of Student High Impact Focused Time (SHIFT), intramural award through UNCA Deans (2023)

SciComm Institute Fellow (intramural competitive awardee for NSF-funded project; 2022-2023)

Creative Scholarship Award, UNCA Faculty, 2021-22

Community Connector Award, 2021-2022, UNCA Faculty, nominated

Self, Motivation, and Virtue Project, Finalist, Templeton Foundation (2015)

Walter Dill Scott Endowment Fellow (award for research promise), Northwestern University (2011-12)

Graduate Tuition Scholarship, Northwestern University (2007-12)

University Fellowship, Northwestern University (2007-2011)

Conference Travel Grant-The Family Institute at Northwestern (2011)

Conference Travel Grant-The Graduate School and the Office of Research, Northwestern University (2009, 2010, 2011)

University Fellowship, University of Virginia (2004-2007)

Phi Beta Kappa, University of Georgia (2001)

Senior Physics Student of the Year, University of Georgia (2001)

Hope Scholarship, University of Georgia (1997-2001)

Junior Physics Student of the Year, University of Georgia, (2000)

Federal and Foundation Supported Research_____

Research Scientist, 2015-2018

Evaluating the Feasibility of RESCUE: An Adjunctive HAI-Based Intervention for Veterans with PTSD (PI: Peter Tuerk, Ph.D.) (Award # W81XWH-15-1-0087), Clinical Sciences Research & Development Service, Ralph H. Johnson VA Medical Center, Charleston, SC, United States.

Department of Defense funded project examining the feasibility of animal exposure training as an adjunctive to Prolonged Exposure therapy.

Postdoctoral Research Associate, 2013-2014

Psychophysiology of Prolonged Exposure for PTSD with/without Yohimbine (PI: Peter Tuerk, Ph.D.), Clinical Sciences Research & Development Service, Ralph H. Johnson VA Medical Center, Charleston, SC, United States.

VA-funded project examining psychophysiological and psychological measures of treatment outcome across the course of Prolonged Exposure therapy for PTSD paired with yohimbine.

Postdoctoral Research Associate, 2013-2014

Prolonged Exposure and Sertraline for PTSD (PI: Sheila Rauch, Ph.D.), Clinical Sciences Research & Development Service, Ralph H. Johnson VA Medical Center, Charleston, SC, United States.

Department of Defense funded, multi-site, randomized clinical trial of Prolonged Exposure and sertraline for PTSD.

National Institute of Mental Health (NIMH) Sponsored Predoctoral Research and Clinical Trainee, 2012-2013

Training Grant T32: Child and Adult Trauma Victims: A Training Program (PI: Dean G. Kilpatrick, Ph.D., MH18869), National Crime Victims Center, Department of Psychiatry and Behavioral Sciences, Medical University of South Carolina, Charleston, SC, United States.

NIMH funded program for advanced graduate research and training in traumatic stress studies.

Graduate Student Researcher, 2007-2012

Foley Foundation Center Grant (PI: Dan P. McAdams, Ph.D.), Foley Center for the Study of Lives, Department of Psychology, Northwestern University.

Private foundation grant supporting the lab of my primary graduate school advisor.

Evidence-based Treatment Consultant

Certified reviewer for National Repository of Evidence-Based Programs and Practices (NREPP), Substance Abuse and Mental Health Services Administration (Fall 2015-Fall 2017).

Subject matter expert and consultant for Virtually Better Inc, in service of their obligations to NIH grant 5R42DK103537-03 Experience Success: Virtual Reality Skills Training to Enhance e-Weight Loss (Summer 2015-Fall 2015).

Prolonged Exposure for PTSD, Consultant: Post-Tornado PTSD Treatment Training, Joplin, MO. Virtually Better Inc. Contractor (Fall 2014-Summer 2015).

Prolonged Exposure for PTSD, Consultant: Training Post-Doctoral Psychologists in Prolonged Exposure, Tampa VAMC, Tampa, FL, United States (Fall 2014-Winter 2015).

PTSD Consultant: SPAWAR Systems Center Atlantic-U.S. Navy, Human Resources, Charleston, SC, United States (Summer 2014).

Clinical Certifications

VA Rollout for Prolonged Exposure for PTSD: Workshop Training (May 2013), Case Consultation Completed (August 2013).

Trauma-Focused Cognitive Behavioral Therapy Web Certificate (November 2012), National Crime Victims Center, Medical University of South Carolina, Charleston, SC, United States.

Cognitive Processing Therapy Web Certificate (October 2012), National Crime Victims Center, Medical University of South Carolina, Charleston, SC, United States.

Clinical Experience

- | | |
|---------------------|--|
| 2021-present | <p>Responder Support Services
 Provide evidence-based psychotherapy and assessment for first responders. Treat clinical presentations such as PTSD and trauma related disorders, anxiety and mood disorders, and couple related dysfunction.</p> |
| 2021-present | <p>Veteran Evaluation Services
 Provide science-based assessment services for veterans and service members exiting the U.S. Armed Forces as they seek benefits through the Veteran Benefit Administration.</p> |
| 2017-2021 | <p>Psychologist, The Pisgah Institute
 Provided evidence-based psychotherapy for individuals and couples regarding a range of mood, anxiety, trauma, and personality related disorders. Assessed veterans for Veteran Benefits Administration.</p> |
| 2016-2017 | <p>Tuerk PTSD Treatment Lab, Team Member
 Participated in multidisciplinary research team implementing randomized clinical trials for PTSD. Provided treatment fidelity feedback to study therapists. Collaborated with team members in developing proposals for new clinical trials.</p> |
| 2016-2017 | <p>Private Practice
 Provided assessment services for Social Security Administration as part of disability determination.</p> |
| 2014-2015 | <p>Psychology Faculty
 PTSD Clinical Team, Ralph H. Johnson VA Medical Center
 Provided assessment services and evidence-based therapy for PTSD and trauma related disorders. Collaborated with multi-disciplinary team in providing comprehensive mental health care. Participated in data management team to assure quality mental health care outcomes within clinic.</p> |
| 2013-2014 | <p>Postdoctoral Psychologist Fellow</p> |

PTSD Clinical Team, Ralph H. Johnson VA Medical Center

Provided Prolonged Exposure for combat-related PTSD as part of multi-site clinical trial. Developed treatment strategies. Provided supervision for PTSD diagnostic assessments. Provided outreach to veterans in community settings as part of study recruitment.

Supervisors: Ron Acierno, Ph.D. and Peter Tuerk, Ph.D.

2012-2013

Psychology Intern

Charleston Consortium

Ralph H. Johnson VA Medical Center

Medical University of South Carolina (MUSC)

PTSD Clinical Team Rotation, VA:

Trained in and provided evidence-based treatments for PTSD and trauma-related disorders. Provided psychosocial assessments as part of intake team for case conceptualization and treatment planning. Administered, scored, and interpreted a range of psychological measures to assess treatment efficacy.

Supervisor: Ron Acierno, Ph.D.

Cognitive Behavioral Clinic Rotation, VA:

Trained in and provided evidence-based treatments for a range of mood and anxiety disorders. Provided group therapy. Performed intake assessments for the purpose of case conceptualization and treatment planning. Administered, scored, and interpreted a range of psychological measures to assess of treatment efficacy.

Supervisor: Dan Gros, Ph.D.

Couples and Family Clinic Rotation, VA:

Trained in and provided evidence-based therapy for couples distress, Integrative Behavioral Couples Therapy (IBCT). Performed intake assessments for the purpose of case conceptualization and treatment planning. Administered, scored, and interpreted psychological measures of relationship functioning in order to assess treatment efficacy.

Supervisor: Julian Libet, Ph.D.

National Crime Victim Center Rotation, MUSC:

Trained in and provided evidence-based treatments for PTSD and trauma-related disorders with civilian, crime-victim population.

Performed intake assessments for the purpose of case conceptualization and treatment planning. Administered, scored, and interpreted a range of psychological measures to assess treatment efficacy.

Supervisors: Alyssa Rheingold, Ph.D. and Dan Smith, Ph.D.

Counseling and Psychological Services Rotation, MUSC:

Trained in and provided evidence-based treatments for a range of mood, anxiety, academic, relational, and eating disorders/problem areas with a medical student population. Performed intake assessments for the purpose of case conceptualization and treatment planning. Administered, scored, and interpreted a range of psychological measures to assess treatment efficacy.

Supervisor: Alice Libet, Ph.D.

2011-2012

Psychology Extern

Depression Treatment Program, Family Institute at Northwestern University

Trained in and provided cognitive-behavioral therapy (CBT) for adults with unipolar mood disorders. Trained in and administered the Hamilton Depression Rating Scale (HDRS). Administered, scored, and interpreted a range of psychological measures for the purpose of case conceptualization, treatment planning, and assessment of treatment efficacy.

Supervisor: Paula Young, Ph.D.

2010-2012

Psychology Extern

Dialectical Behavior Therapy Treatment Program, Family Institute at Northwestern

Trained in and provided dialectical behavioral therapy (DBT) to adolescents and adults with varied emotion regulation related disorders. Provided DBT with individual clients. Led DBT skills groups. Administered, scored, and interpreted a range of psychological measures for the purpose of case conceptualization, treatment planning, and assessment of treatment efficacy, e.g. assessed personality pathology with the International Personality Disorder Examination (IPDE).

Supervisor: Michael Maslar, Psy.D.

2010-2012

Psychology Extern

Family Systems Therapy Practicum, Family Institute at Northwestern

Within an integrative problem centered approach, trained in and employed multiple orientations in the treatment of couples with relationship distress. Orientations included: Emotion Focused Therapy, John Gottman's The Marriage Clinic, and Behavioral Marital Therapy.

Supervisor: Jay Lebow, Ph.D.

- 2010-2011** **Psychology Extern**
Anxiety Disorders Treatment Program, Family Institute at Northwestern University
Trained in and provided cognitive-behavioral therapy for adults with a range of anxiety disorders. Performed comprehensive diagnostic assessments at intake for treatment planning. Administered, scored, and interpreted a range of psychological measures for the purpose of case conceptualization, treatment planning, and assessing treatment efficacy.
Supervisors: Paula Young, Ph.D.
- 2009-2010** **Psychology Extern**
Therapy Practicum, Marjorie Kovler Center for the Treatment of Torture Survivors
Trained in and provided culturally sensitive, relationship-focused cognitive behavioral therapy (CBT) for adults and adolescents with a range of mood and anxiety disorders related to torture history. (Clients were individuals seeking asylum in the United States after having been tortured in their home countries.) Participated in interdisciplinary treatment team that included primary care physicians, psychiatrists, social workers, and occupational therapists. Wrote psychological affidavits for client asylum hearings.
Supervisor: Sandra Zakowski, Ph.D, Psy.D
- 2008-09** **Psychology Extern**
Diagnostic Assessment Practicum, Family Institute at Northwestern University
Performed diagnostic assessments at intake for treatment planning. Trained in administration of the Structured Clinical Interview for DSM-IV (SCID). Administered SCID as part of comprehensive diagnostic assessment for adult patients. Wrote psychological reports synthesizing information from range of assessment instruments.
Supervisors: Rick Zinbarg, Ph.D, Emily Durbin, Ph.D, Lynne Knobloch-Fedders, Ph.D
- 2008-09** **Psychology Extern**
Psychological Testing Practicum, Family Institute at Northwestern University
Performed psychological testing for children, adolescents, and adults. Trained in skill of selecting tests appropriate for answering

presenting question(s). Trained in administration, scoring, and interpretation for a wide array of psychological tests including WISC-IV, WAIS-IV, WIAT-II, and NEPSY-II. Wrote psychological reports synthesizing information from across multiple tests and psychological history of client.

Supervisor: John Ardizzone, Ph.D.
